

**This Mother's Day...**

GIVE A CRIB IN HONOR OF A  
MOTHER

**Mary's Cradle is in need of safe cribs**

**In 2009 we were blessed to share over 100 cribs with needy families in our area and surrounding areas. We have given 15 this year. We have several families in need and pray that you would consider making a donation and/or praying for this ministry.**

**The cost of the crib above is \$99 and the mattress is \$38 for a total of \$137.00**

**If you are unable to give the full amount, please consider a contribution to go toward the purchase of a safe crib. God bless you!**

Checks can be made payable to Mary's Cradle
