

FUNDRAISERS

Here are some good ideas for how your church can help support the Youth Service Fund:

- Have a mission meal or potato bake after church in your fellowship hall.
- Put on a romantic Valentine's Day dinner with a set fee, and for extra money sell roses, personal serenades, and take pictures.
- Host a "thon" (walk-a-thon, bike -a-thon, rock-a-thon, talk-a-thon, rake-a-thon, starve-a-thon) with prepaid pledges.
- Have a car wash in your church parking lot or at a local car dealership.
- Sell box lunches to local businesses.
- Ask your pastor if a Sunday could be set aside to have a special offering for Y.S.F.
- Collect baby pictures of your pastor and other leaders in your church. Sell votes for the cutest or guesses of who that person is.
- Host an auction and ask everyone in your church to donate items.
- Have a talent show at your church.
- You can also tithe all of the fundraisers your youth group does and automatically give 10% to Y.S.F.
